#### Re: Support for County of Humboldt Fairhaven "T" Coastal Access Site Improvements

Dear Chairman Bosco:

I am writing in strong support of the request for funding by the County of Humboldt to improve coastal access to the Fairhaven "T" site at Samoa Beach.

The requested funds of \$50,000 will be used to reconstruct and stabilize the existing parking area, place rock armor to prevent vehicle access to the beach and create a designated handicapped parking area at the site.

Upgrades to this site will enhance coastal access for a variety of users and will implement recommendations made for this site contained in the County's Local Coastal Program. I believe that this would be a very effective expenditure of state funds and will provide added recreational activities for the public.

I am urging your support of this worthwhile project. If you have any questions, please do not hesitate to contact me.

Sincerely,

  
WESLEY CHESBRO

Mr. Doug Bosco, Chair  
California Coastal Conservancy  
1330 Broadway, 11<sup>th</sup> Floor  
Oakland, CA 94612

Dear Chairman Bosco:

I am writing in support of Humboldt County's application for Coastal Conservancy funding to improve the Fairhaven "T" coastal access site at Samoa Beach.

From my understanding, the requested funds of \$50,000 will be used to reconstruct and stabilize the existing parking area, place rock armor to prevent vehicle access to the beach, and create a designated handicapped parking area at the site. These improvements will enhance coastal access for visitors, help protect sensitive beach areas and will implement recommendations made by the county's Local Coastal Program.

The enhancement of coastal access and recreational activities in the coastal zone is a goal shared by my constituents. There is a long history of public use and beach access at this site that will be well-served by the proposed improvements.

I encourage your favorable consideration of Humboldt County's funding application for the Fairhaven "T" project at Samoa Beach. If I can be of any further assistance, please do not hesitate to contact my Eureka District Office at (707) 445-7014.

Respectfully,

PATTY BERG  
Assemblywoman, 1<sup>st</sup> District
